Common

Other Companions

Archetypes

Crusader

[Paizo Inc. - Ultimate Combat, p.40]

Crusaders serve the militant arm of a church, ready to stand guard over the religion's holy places and to be its swift, avenging arm against those who resist its truth.

Traits

Lessons of Faith [Paizo Publishing - Inner Sea Gods]

You have a knack for avoiding trouble.

Magical Knack (Cleric)

[Paizo Inc. - Second Darkness Player's Guide, p.131

You were raised, either wholly or in part, by a magical creature, either after it found you abandoned in the woods or because your parents often left you in the care of a magical minion. This constant exposure to magic has made its mysteries easy for you to understand, even when you turn your mind to other devotions and tasks. Your caster level in Cleric gains a +2 trait bonus as long as this bonus doesn't raise your caster level above your current Hit Dice.

Special Attacks

Channel Positive Energy (Su)

[Paizo Inc. - Core Rulebook, p.40]

You can unleash a wave of positive energy. You must choose to deal 6d6 points of positive energy damage to undead creatures or to heal living creatures of 6d6 points of damage. Creatures that take damage from channeled energy receive a DC 16 Will save to halve the damage. You can use this ability 4 times per day.

Special Qualities

Aura (Ex)

[Paizo Inc. - Core Rulebook, p.]

A cleric of a chaotic, evil, good, or lawful deity has a particularly powerful aura corresponding to the deity's alignment (see the detect evil spell for details).

Aura of Good (Ex) [Paizo Inc. - Core Rulebook1

You project a strong good aura.

Bonus Feat

[Paizo Inc. - Ultimate Combat, p.401

A crusader gains a bonus feat at 1st level, then again at 5th level and every five levels thereafter (to a maximum of six at 20th level). These bonus feats must be chosen from the following list - Heavy Armor Proficiency, Improved Shield Bash, Martial Weapon Proficiency, Saving Shield, Shield Focus, Tower Shield Proficiency, and Weapon Focus*. At 10th level, a crusader may also choose from the following feats Exotic Weapon Proficiency, Greater Shield Focus, Greater Weapon Focus*, Improved Critical*, Shield Slam, Shield Specialization, and Weapon Specialization*. At 20th level, a crusader may also choose from the following feats - Greater Shield Specialization and Greater Weapon Specialization*. Bonus feats marked with an asterisk (*) must be

applied to the favored weapon of the crusader's deity. A crusader need not meet the normal class- or level-based prerequisites for these bonus feats.

Bonus Feat [Paizo Inc. - Core Rulebook, p.27]

Humans select one extra feat at 1st level.

[Paizo Inc. - Ultimate Diminished Spellcasting Combat, p.40]

A crusader chooses only one domain and gains one fewer spell of each level than normal. If this reduces the number to 0, she may cast spells of that level only if they are domain spells or if her Wisdom allows bonus spells of that level.

Freedom's Call (Su)

[Paizo Inc. - Core Rulebook, p.45]

You can emit a 30-foot aura of freedom for 10 rounds per day. Allies within this aura are not affected by the confused, grappled, frightened, panicked, paralyzed, pinned, or shaken conditions. This aura only suppresses these effects, and they return once a creature leaves the aura or when the aura ends, if applicable. These rounds do not need to be consecutive.

Legion's Blessing (Su)

[Paizo Inc. - Ultimate Combat, p.40]

At 8th level, a crusader gains the ability to confer beneficial spells quickly to a large group of allies. As a full-round action, the crusader may confer the effects of a single harmless spell with a range of touch to a number of creatures equal to half her cleric level. The spell's range remains touch, so all intended recipients must be within the crusader's reach when the spell is cast. Using the legion's blessing expends the prepared spell, but it also requires the crusader to sacrifice another prepared spell three levels higher, as when spontaneously using a cure or inflict spell. The higher-level spell is not cast but is simply lost, its magical energy used to power the legion's blessing.

Liberation (Su)

[Paizo Inc. - Core Rulebook, p.45]

You have the ability to ignore impediments to your mobility. For 10 rounds per day, you can move normally regardless of magical effects that impede movement, as if you were affected by Freedom of Movement. This effect occurs automatically as soon as it applies. These rounds do not need to be consecutive.

[Paizo Inc. - Core Rulebook, p.41]

You can prepare a number of orisons, or 0-level spells. These spells are cast like any other spells, but they are not expended when used and may be used again.

Skilled

[Paizo Inc. - Core Rulebook, p.27]

Humans gain an additional skill rank at first level and one additional rank whenever they gain a level.

Spontaneous Casting

[Paizo Inc. - Core Rulebook, p.41]

You can channel stored spell energy into healing spells that you did not prepare ahead of time. You can "lose" any prepared spell that is not an orison or domain spell in order to cast any cure spell of the same spell level or lower (a cure spell is any spell with "Cure" in its name)

Vindicator's Shield (Su)

[Paizo Inc. - Advanced Player's Guide]

A vindicator can channel energy into his shield as a standard action; when worn, the shield gives the vindicator a sacred bonus (if positive energy) or profane bonus (if negative energy) to his Armor Class equal to the number of dice of the vindicator's channel energy. This bonus lasts for 24 hours or until the vindicator is struck in combat, whichever comes first. The shield does not provide this bonus to any other wielder, but the vindicator does not need to be holding the shield for it to retain this power.

Feats

Alignment Channel (Evil)

[Paizo Inc. - Core Rulebook, p.117]

You can channel your divine energy to harm or heal outsiders that possess your chosen alignment subtype.

Instead of its normal effect, you can choose to have your ability to channel energy heal or harm outsiders of the chosen alignment subtype. You must make this choice each time you channel energy. If you choose to heal or harm creatures of the chosen alignment subtype, your channel energy has no effect on other creatures. The amount of damage healed or dealt and the DC to halve the damage is otherwise unchanged.

Deadly Aim

[Paizo Inc. - Core Rulebook, p.121]

You can make exceptionally deadly ranged attacks by pinpointing a foe's weak spot, at the expense of making the attack less likely to succeed.

You can choose to take a -3 penalty on all ranged attack rolls to gain a +6 bonus on all ranged damage rolls. You must choose to use this feat before making an attack roll and its effects last until your next turn. The bonus damage does not apply to touch attacks or effects that do not deal hit point damage.

Point Blank Master (Weapon Specialization (Crossbow (Light)))

[Paizo Inc. - Advanced Player's Guide, p.167]

You are adept at firing ranged weapons in close quarters.

Choose one type of ranged weapon. You do not provoke attacks of opportunity wher firing the selected weapon while threatened.

Point-Blank Shot

[Paizo Inc. - Core Rulebook, p.131]

You are especially accurate when making ranged attacks against close target.

You get a +1 bonus on attack and damage rolls with ranged weapons at ranges of up to 30 feet.

Precise Strike

[Paizo Inc. - Advanced Player's Guide, p.167]

You are skilled at striking where it counts, as long as an ally distracts your foe.

Whenever you and an ally who also has this feat are flanking the same the creature, you deal an additional 1d6 points of precision damage with each successful melee attack. This bonus damage stacks with other sources of precision damage, such as sneak attack. This bonus damage is not multiplied on a critical hit.

Rapid Reload (Crossbow (Light))

[Paizo Inc. - Inner Sea World Guide, ISWG p.288]

You can reload your chosen type of crossbow quickly. Choose a type of crossbow (hand, light, heavy) or a single type of one-handed or two-handed firearm that you are proficient with. You can reload such a weapon quickly. (revised to include firearms in Ultimate Combat p.115) You can reload your chosen type of weapon quickly.

The time required for you to reload your chosen type of crossbow is reduced to a free action (for a hand or light crossbow) or a move action (for a heavy crossbow). Reloading a crossbow still provokes an attack of opportunity. If you have selected this feat for hand crossbow or light crossbow, you may fire that weapon as many times in a full-attack action as you could attack if you were using a bow. The time required for you to reload your chosen type of weapon is reduced to a free action (for a hand or light crossbow), a move action (for heavy crossbow or onehanded firearm), or a standard action (two-handed firearm). Reloading a crossbow or firearm still provokes attacks of opportunity. If you have selected this feat for a hand crossbow or light crossbow, you may fire that weapon as many times in a full-attack action as you could attack if you were using a bow.

[Normal] A character without this feat needs a move action to reload a hand or light crossbow, a standard action to reload a one-handed firearm, or a full-round action to load a heavy crossbow or a two-handed firearm.

[Special]You can gain Rapid Reload multiple times. Each time you take the feat, it applies to a new type of crossbow or a new type of firearm. The time required for you to reload your chosen type of weapon is reduced to a free action (for a hand or light crossbow), a move action (for a heavy crossbow or one-handed firearm), or a standard action (for a two-handed firearm). Reloading a crossbow or firearm still provokes an attack of opportunity. If you have selected this feat for hand crossbow or light crossbow, you may fire that weapon as many times in a full-attack action as you could attack if you were using a bow.

Rapid Shot

[Paizo Inc. - Core Rulebook, p.132]

You can make an additional ranged attack.

When making a full-attack action with a ranged weapon, you can fire one additional time this round. All of your attack rolls take a -2 penalty when using Rapid Shot.

Shield Focus

[Paizo Inc. - Core Rulebook, p.133]

You are skilled at deflecting blows with your shield.

Increase the AC bonus granted by any shield you are using by 1

Weapon Focus (Crossbow (Light))

[Paizo Inc. - Core Rulebook, p.136]

You are especially good at using your chosen weapon.

You gain a +1 bonus on all attack rolls you make using the selected weapon.

Weapon Specialization (Crossbow (Light))

[Paizo Inc. - Core Rulebook, p.137]

You deal extra damage when using your chosen weapon.

You gain a +2 bonus on all damage rolls you make using the selected weapon.

Deflect Arrows (Granted)

[Paizo Inc. - Core Rulebook, p.121]

You can know arrows and other projectiles off course, preventing them from hitting you.

You must have at least one hand free (holding nothing) to use this feat. Once per round when you would normally be hit with an attack from a ranged weapon, you may deflect it so that you take no damage from it. You must be aware of the attack and not flat-footed. Attempting to deflect a ranged attack doesn't count as an action. Unusually massive ranged weapons (such as boulders or ballista bolts) and ranged attacks generated by natural attacks or spell effects can't be deflected.
