# Languages

Common, Vishkanya

## Other Companions

# Archetypes

#### Oath against Undeath

[Paizo Inc. - Ultimate

Magic, p.61]

You vow to restore the natural state of death to any animate corpse you encounter and destroy the undead energy in the process.

Traits	
	[Paizo Publishing - Inner

You have a knack for avoiding trouble

Reactionary

essons of Faith

[Paizo Inc. - Second Darkness Player's Guide,

Sea Gods]

You were bullied often as a child, but never quite developed an offensive response. Instead, you became adept at anticipating sudden attacks and reacting to danger quickly. You gain a +2 trait bonus on Initiative checks.

## Special Attacks

#### Channel Positive Energy (Su)

[Paizo Inc. - Core Rulebook]

You can unleash a wave of positive energy dealing 7d6 (DC 20 for half) /day. You can unleash a wave of positive energy. You must choose to deal 7d6 points of positive energy damage to undead creatures or to heal living creatures of 7d6 points of damage. Creatures that take damage from channeled energy receive a DC 20 Will save to halve the damage. Using this ability consumes two uses of her lay on hands ability.

#### Poison Use (Ex)

[Paizo Inc. - Bestiary 3 p.208]

Vishkanyas are skilled in the use of poison and never accidentally poison themselves when using or applying poison.

# Smite Evil (Su)

[Paizo Inc. - Core Rulebook, p.60]

You can call out to the powers of good to aid you in your struggle against evil 4 times per day. As a swift action, you choose one target within sight to smite. If this target is evil, you add +4 to your attack rolls and +12 to all damage rolls made against the target of your smite. If the target of Smite Evil is an outsider with the evil subtype, an evilaligned dragon, or an undead creature, the bonus to damage on the first successful attack increases to +24. Regardless of the target, Smite Evil attacks automatically bypass any DR the creature might possess. In addition, while smite evil is in effect, you gain a +4 deflection bonus to your AC against attacks made by the target of the smite. If you target a creature that is not evil, the smite is wasted with no effect. The Smite Evil effect remains until the target of the smite is dead or the next time you rest and regain your uses of this ability

#### **Special Qualities**

# Aura of Courage (Su)

[Paizo Inc. - Core Rulebook, p.61]

You are immune to fear (magical or otherwise). Each ally within 10 feet of you gains a +4 morale bonus on saving throws against fear effects. This ability functions only while you are conscious, not if you are unconscious or dead.

Aura of Good (Ex)

Aura of Life (Su)

[Paizo Inc. - Core Rulebook]

You project an overwhelming good aura.

[Paizo Inc. - Ultimate Magic, p.61]

You gain a +4 morale bonus on saves against attacks that grant negative levels and saves to overcome negative levels. Each ally within 10 feet of you gains a +2 morale

bonus on these saves. This ability functions only while you are conscious, not if you are unconscious or dead.

#### Mercy (Blinded) (Su)

[Paizo Inc. - Core Rulebook, p.61]

Whenever you use Lay on Hands to heal damage to one target, the target is no longer blinded.

#### Celestial Spirit (Sp)

[Paizo Inc. - Core Rulebook, p.63]

Your divine bond allows you to enhance your weapon as a standard action by calling upon the aid of a celestial spirit for 12 minutes. When called, the spirit causes the weapon to shed light as a torch. This spirit grants the weapon a +3 enhancement bonus. This bonus can be added to the weapon, stacking with existing weapon bonuses to a maximum of +5, or it can be used to add any of the following weapon properties: defending, flaming, keen, merciful (+1), axiomatic, disruption, flaming burst, holy (+2), speed (+3), and brilliant energy (+4). Adding these properties consumes an amount of bonus equal to the property's cost. These bonuses are added to any properties the weapon already has, but duplicate abilities do not stack. If the weapon is not magical, at least a +1 enhancement bonus must be added before any other properties can be added. The bonus and properties granted by the spirit are determined when the spirit is called and cannot be changed until the spirit is called again. The celestial spirit imparts no bonuses if the weapon is held by anyone other than you but resumes giving bonuses if returned to you. These bonuses apply to only one end of a double weapon. You can use this ability 2 times per day. If a weapon bonded with a celestial spirit is destroyed, you lose the use of this ability for 30 days, or until you gain a level, whichever comes first. During this 30-day period, you take a -1 penalty on attack and weapon damage rolls.

#### Code of Conduct

[Paizo Inc. - Ultimate Magic, p.62]

Destroy all undead. Put to rest the poor souls turned against their will. Prevent the taint of undeath from spreading to the newly dead, blessing or burning the corpses as necessary.

#### Detect Undead (Su)

[Paizo Inc. - Ultimate Magic, p.61]

This ability works like the standard paladin ability to detect evil, except as detect undead instead of detect evil.

#### Divine Health (Ex)

[Paizo Inc. - Core Rulebook, p.61]

You are immune to all diseases, including supernatural and magical diseases, including mummy rot.

#### Ghost Touch Aura (Su)

[Paizo Inc. - Ultimate Magic, p.61]

Your armor and shield are treated as if they had the ghost touch armor property. This does not affect the cost or effect of any other abilities of the armor or shield.

#### Keen Senses (Ex)

[Paizo Inc. - Bestiary 3 p.208]

Vishkanya receive a +2 racial bonus on Perception checks.

#### ay on Hands (Su)

[Paizo Inc. - Core Rulebook, p.61]

You can heal wounds (your own or those of others) by touch. Each day you can use this ability 14 times per day. With one use of this ability, you can heal 6d6 hit points of damage. Using this ability is a standard action, unless you target yourself, in which case it is a swift action. Despite the name of this ability, you only need one free hand to use this ability. Alternatively, you can use this healing power to deal damage to undead creatures, dealing 6d6 points of damage. Using Lay in Hands in this way requires a melee touch attack and doesn't provide an attack of opportunity. Undead to not receive a saving throw against this damage.

#### Limber (Ex)

[Paizo Inc. - Bestiary 3

Vishkanya gain a +2 racial bonus on Escape Artist and Stealth checks.

# Low-Light Vision (Ex)

[Paizo Inc. - Bestiary]

You can see x2 as far as humans in low illumination. Characters with low-light vision have eyes that are so sensitive to light that they can see twice as far as normal in dim light. Low-Light Vision is color vision. A spellcaster with low-light vision can read a scroll as long as even the tiniest candle flame is next to her as a source of light. Characters with low-light vision can see outdoors on a moonlit night as well as they can during the day.

## Poison Resistance (Ex)

[Paizo Inc. - Bestiary 3 p.2081

A vishkanya has a +13 racial bonus on saves against poison.

#### Superior Channeler (Su)

[Paizo Inc. - Ultimate Magic, p.62]

You can channel positive energy to harm undead by expending a single usage of your lay on hands ability instead of two.

# Toxic (Ex)

[Paizo Inc. - Bestiary 3

A vishkanya can envenom a weapon 2/day with its toxic saliva or blood (using blood requires the vishkanya to be injured when it uses this ability). Applying venom in this way is a swift action. Vishkanya venom: save Fort DC 18; freq 1/rd for 6 rds; effect 1d2 Dex; cure 1 save.

## Vindicator's Shield (Su)

[Paizo Inc. - Advanced Plaver's Guidel

A vindicator can channel energy into his shield as a standard action; when worn, the shield gives the vindicator a sacred bonus (if positive energy) or profane bonus (if negative energy) to his Armor Class equal to the number of dice of the vindicator's channel energy. This bonus lasts for 24 hours or until the vindicator is struck in combat, whichever comes first. The shield does not provide this bonus to any other wielder, but the vindicator does not need to be holding the shield for it to retain this power.

Weapon Familiarity (Ex)

[Paizo Inc. - Bestiary 3, p.208]

Vishkanya are proficient with blowguns, kukri, and shuriken.

#### **Feats**

## Alignment Channel (Evil)

[Paizo Inc. - Core Rulebook, p.117]

You can channel your divine energy to harm or heal outsiders that possess your chosen alignment subtype.

Instead of its normal effect, you can choose to have your ability to channel energy heal or harm outsiders of the chosen alignment subtype. You must make this choice each time you channel energy. If you choose to heal or harm creatures of the chosen alignment subtype, your channel energy has no effect on other creatures. The amount of damage healed or dealt and the DC to halve the damage is otherwise unchanged.

Extra Channel

[Paizo Inc. - Core Rulebook, p.123]

You can channel divine energy more often.

You can channel energy two additional times per day.

#### Fev Foundling

[Paizo Inc. - Inner Sea World Guide, p.286]

You were found in the wilds as a child, bearing a mark of the First World. Magical healing works better on you.

You were found in the wilds as a child, bearing a mark of the First World. Your strange connection to the First World and the fey infuses you with life, and whenever you receive magical healing, you heal an additional 2 points/die rolled. You gain a +2 bonus on all saving throws against death effects. Unfortunately, you also suffer +1 point of damage from cold iron weapons (although you can wield cold iron weapons without significant discomfort).

#### Piranha Strike

[Paizo Inc. - Sargava, the Lost Colony, p.24]

You make a combination of quick strikes, sacrificing accuracy for multiple, minor wounds that prove exceptionally deadly.

#### Slashing Grace (Kukri)

[Paizo Publishing -Advanced Class Guide, p.000]

You can stab your enemies with your sword or another slashing weapon.

Choose one kind of light or one-handed slashing weapon (such as the longsword). When wielding your chosen weapon one-handed, you can treat it as a one-handed piercing melee weapon for all feats and class abilities that require such a weapon (such as a swashbuckler's or a duelist's precise strike) and you can add your Dexterity modifier instead of your Strength modifier to that weapon's damage. The weapon must be one appropriate for your size. You do not gain this benefit while fighting with two weapons or using flurry of blows, or any time another hand is otherwise occupied

#### Weapon Finesse

[Paizo Inc. - Core Rulebook, p.136]

You are trained in using your agility in melee combat, as opposed to brute strength. With a light weapon, rapier, whip, or spiked chain made for a creature of your size category, you may use your Dexterity modifier instead of your Strength modifier on attack rolls. If you carry a shield, its armor check penalty applies to your attack rolls.

#### Weapon Focus (Kukri)

[Paizo Inc. - Core Rulebook, p.136]

You are especially good at using your chosen weapon.

You gain a +1 bonus on all attack rolls you make using the selected weapon.
